Juniper Networks products (including software or hardware) may not be used in connection with violations of human rights, of democratic principles or of freedom of speech as defined in the Charter of Fundamental Rights of the European Union, where use is made of interception techniques & digital data transfer equipment for monitoring mobile phones & reading text message & of targeted surveillance of internet use (eg, by means of monitoring center & lawful interception gateways). Goods being sent have not been purchased but are a Warranty replacement. WARRANTY REPLACEMENT PARTS OR LOAN EQUIPMENT PROVIDED FREE OF CHARGE & OF NO COMMERCIAL VALUE; VALUES ARE DECLARED FOR CUSTOMS PURPOSES ONLY.

These items are controlled by the U.S. Government and authorized for export only to the country of ultimate destination for use by the ultimate consignee or end-user(s) herein identified. They may not be resold, transferred, or otherwise disposed of, to any other country or to any person other than the authorized ultimate consignee or end-user(s), either in their original form or after being incorporated into other items, without first obtaining approval from the U.S. government or as otherwise authorized by U.S. law and regulations. "Products/items listed in this document are subject to export and shipment control in accordance with EU regulations No. 428/2009. These items require an export license if exported outside the UK/EU."

"Export/re-export to these countries is prohibited without first obtaining the US Export/re-export license approval from the U.S. Government: Cuba, Iran, North Korea, Sudan, Syria."
