**New Free Freight Disclaimer:**

Good news. For this Order, we are extending Avigilon-paid shipping/freight to you on a Carriage Paid To (CPT) basis per Incoterms 2020. This means Avigilon will cover shipping costs from our named pickup location to the end delivery point. With respect to such shipment, you will continue to be the importer of record, title and risk of loss will pass upon shipping, and insurance will continue to be your responsibility. Avigilon maintains sole discretion to nominate our preferred carrier. If you require a different carrier, this will be at your expense.

Please advise us if for some reason you DO NOT wish for CPT terms to apply to this Order (i.e. if you wish for this Order to be shipped on a Free Carrier (FCA) basis per the terms of your Partner Agreement with us). Otherwise, you will be deemed to accept CPT terms for this Order.

For clarity, CPT terms are being extended to you with respect to this specific Order. This notification and your acceptance of CPT terms for this Order (which includes your acceptance of the responsibility for importation and insurance) does not amend or otherwise modify the shipping/freight terms contained in your Partner Agreement with us as applicable to any Order you have placed with us in the past or any Order you may place with us in the future.
